ATTACHMENT A

On July 22, 2016, U.S. Customs and Border Protection Officers (CBPOs) and other law enforcement officers were conducting southbound inspection duties at the Hidalgo Port Of Entry (HID POE) in Hidalgo, Texas. At approximately 1:35 p.m., CBPOs referred a red SRX Cadillac for inspection as the vehicle attempted to exit the United States into Mexico. The driver and sole occupant of the vehicle was later identified as Gerardo ROSALES.

As ROSALES exited the vehicle, a CBPO immediately visually noticed a large bulge and inconsistencies with the formation of the floor mats located underneath the driver's seat. A subsequent search to the vehicle revealed several boxes of ammunition concealed underneath the floor mat, in the glove box compartment, and center console of the vehicle. A total of 27 boxes of ammunition were discovered in vehicle (17 boxes of 308 caliber and 10 boxes of 7.62x51 caliber) equaling a total of 540 rounds.

Homeland Security Investigation (HSI) Special Agents (SAs) responded to the HID POE to interview ROSALES. During a post-Miranda warning custodial interview of ROSALES. ROSALES claimed he felt forced to smuggle the ammunition for co-conspirators operating in the United States and Mexico. ROSALES admitted he was promised approximately \$200.00 USD to smuggle the ammunition from the United States into Mexico. ROSALES admitted he received \$500.00 USD from a co-conspirator which he used to purchase the ammunition. ROSALES admitted he was aware it is illegal to smuggle ammunition from the United States into Mexico and he purposely attempted to conceal the ammunition within his vehicle to avoid law enforcement detection and apprehension.
